

Opportunity

Our family has a unique opportunity for a nursing student, ITP student with caregiving experience, home health aid provider, aspiring medical professional and/or qualified individual to provide in-home services for our elderly parents.

We are seeking an individual to be available for in-home overnight senior care for our aging parents from 8pm-8am Monday through Sunday (7 days).

What we provide:

- Free lodging in a rent-free, clean, smoke-free, pet-free environment
- Utilities and wifi included
- \$500 monthly stipend
- in-home laundry access (washer & dryer)
- off street parking (driveway)
- safe community in Bear, Delaware area
- close access to I-95, Rt 896 and other major roadways

What we are seeking:

Seeking patient, compassionate, experienced overnight in-home senior care for our aging parents from 8pm-8am. Experience with dementia preferred.

Knowledge of sign language and/or experience in Deaf culture/ community a plus.

(If you are a student and need to negotiate a slight flexibility to these hours, we are willing to discuss)

Overnight care:

- Overnight monitoring
- Overnight care when needed
- Contacting emergency care if an urgent need arises; Alert 911

SERIOUS INTEREST ONLY TEXT 302-985-7056
